Links to Connected Series

Hear Gerard McManus explain how Ministry of Education is supporting Minecraft in Education through its Connected series. [Click here for clip.](#)

Explore Te Reo Māori through Minecraft

- Build your mihi/pepeha in Minecraft
- Tell the story of a Māori legend in Minecraft
- In groups, choose the best location in a class world to build a Pā. Take pictures and explain why you chose this spot
- Build a pā site you have been reading about
- Build a house for a famous Māori personality you have come across e.g. Dame Kiri Te Kanawa, Witi Ihimaera or Taika Waititi. What would you put in their house? Why?
- Build your whakapapa in Minecraft, include buildings, objects and places significant to your whānau.
- Build your tūrangawaewae - your place to stand - include buildings, objects and places significant to you. Invite others to visit.

Minecraft Unplugged

Use 2x2 LEGO & small base plates...

Build an object...

Recreate in Minecraft...

Flipgrid Feedback

We want to hear all about your experience during this tutorial. Please click on this [link](#) to record a quick clip.

- Click the big green + sign
- Select your Filters or Accessories
- Hit Record
- When you are happy, hit Pause followed by Next
- Add a Selfie (with or without accessories)
