

Minecraft Education Edition

Skills & Tools - Basic Navigation

Module 2

Link to NZC: "Identity"

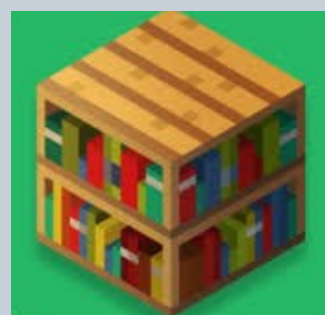

Have a look at these prompting questions to see how it could work:

- Why have you chosen this avatar?
- Why do you identify with this avatar?
- What school values do you think represent you, or that you can identify with?
- How can you show pride in your ethnic diversity with this avatar?
- What persona do you want to portray to others?
- Does this 'skin' show your personality? - How could you change it?

Creating Your World

- What do you value in your world?
- What treasures or things of value do you have on your land?
- What builds a Community?
- Is your world inclusive?
- Have you considered who will be using your world?
- Do they understand your culture or language?
- ESOL Online: [Kiwi Identity](#).

A Build Challenge

Try out your new skills:

Build a small house. Use at least 5 different materials for your house. Include a garden! Consider number of rooms, windows and doors!

Unplugged Ideas

paperCRAFT

Using the paper resource box.

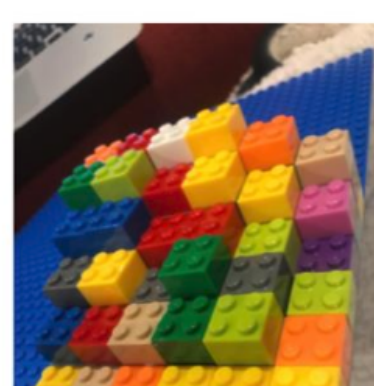

Build various objects used in minecraft,
Person
Grass

legoCRAFT

Using the lego resource box.

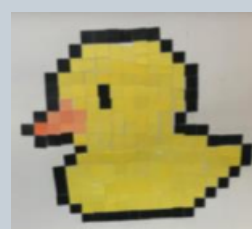

Design piece of landscape to go into you sketch world, and then expand on this to include other minecraft landscape features.

pixelCRAFT

Using the square grid paper to design.

Design a pixel art character.

From a Teacher

Adele Warburton from Methven Primary School answers some Minecraft Education Edition questions. She also takes us through the "Anzac Cove" world that she is creating alongside her Year 5 & 6 students. [Video](#)
